6	Lubrication System K/601/3872 R/601/3719 Level 2	Aims and Objectives	
		i-ACT: Lubrication System Overview	i-Ask: The Lubrication System of an Engine i-Ask: Engine Lubrication System i-Ask: Engine Oiling Methods i-Check: Lubrication System i-Test: Lubrication System
		i-ACT: Housekeeping for Lubrication System	i-Ask: Personal Protective Equipment (PPE) for Working on Lubrication System i-Ask: Vehicle Protective Equipment (VPE) for Working on Lubrication System i-Ask: Health and Safety Considerations When Working on Engine Lubrication System i-Check: Protective Equipment When Working on Lubrication System i-Test: Housekeeping for Lubrication System
		i-ACT: Tools, Equipment and Consumables for Lubrication System	i-Ask: Tools for Lubrication System i-Ask: Equipment Used for Lubrication System i-Ask: Consumables for Lubrication System i-Check: Tools and Equipment for Lubrication System i-Check: Tools, Equipment and Consumables for Lubrication System i-Test: Tools, Equipment and Consumables for Lubrication System

Chapter Nº	Topic	i-ACT/i-Practice	Module
6	Lubrication System K/601/3872 R/601/3719 Level 2	i-ACT: Lubrication System Components	i-Ask: Lubrication System Components i-Ask: Engine Oil i-Check: Lubrication System Components i-Check: Lubrication System Construction i-Test: Lubrication System Components
		i-Practice: Engine Oil and Filter Replacement	i-Practice: Engine Oil and Filter Replacement i-Practice: Engine Oil and Filter Replacement (Assessment)
7	Exhaust System K/601/3725 H/601/3725 Level 2	Aims and Objectives	
		i-ACT: Exhaust System Overview	i-Ask: Exhaust System Operation i-Ask: Reasons for Exhaust System Wear i-Ask: Signs of Exhaust System Wear i-Check: Exhaust System i-Check: Exhaust System Operation i-Check: Exhaust Gases i-Test: Exhaust System Overview
		i-ACT: Exhaust System Housekeeping	i-Ask: Personal Protective Equipment (PPE) for Working on Exhaust System i-Ask: Vehicle Protective Equipment (VPE) for Working on Exhaust System i-Ask: Health and Safety Considerations When Working on the Exhaust System i-Ask: Vehicle Exhaust Components Waste Disposal i-Check: Exhaust System PPE and VPE i-Check: Protective Equipment When Working on Exhaust System i-Check: Exhaust System Housekeeping i-Test: Exhaust System Housekeeping
		i-ACT: Exhaust System Tools, Equipment and Consumables	i-Ask: Exhaust System Tools i-Ask: Exhaust System Equipment i-Ask: Consumables for an Exhaust System

Chapter Nº	Topic	i-ACT/i-Practice	Module
7	Exhaust System K/601/3725 H/601/3725 Level 2	i-ACT: Exhaust System Tools, Equipment and Consumables	i-Check: Exhaust System Equipment i-Check: Exhaust System Tools and Consumables i-Test: Exhaust System Tools, Equipment and Consumables
		i-ACT: Exhaust System Components	i-Ask: How Exhaust Components Fit Together i-Ask: Exhaust Main Components i-Ask: Exhaust Small Components i-Check: Exhaust System Components i-Check: Exhaust System Construction i-Check: Exhaust System Components Function i-Test: Exhaust System Components i-Test: Exhaust System Components Position i-Test: Exhaust System Components Functions
		i-Practice: Exhaust System Removal and Replacement	i-Practice: Exhaust Manifold or Section Removal i-Practice: Exhaust Manifold or Section Removal (Assessment) i-Practice: Exhaust Manifold or Section Replacement i-Practice: Exhaust Manifold or Section Replacement (Assessment)
8	Air Filter Housing K/601/3725 H/601/3725 Level 2	Aims and Objectives	
		i-ACT: Air Filter Housing Overview	i-Ask: Air Filter i-Ask: Sensors in the Air Induction System i-Check: Air Filter Housing i-Check: Sensors in the Air Induction System i-Test: Air Filter Housing
		i-ACT: Air Filter Housekeeping	i-Ask: Personal Protective Equipment for Working on an Air Filter i-Ask: Vehicle Protective Equipment for Working on Air Filter i-Ask: Health and Safety Considerations When Working on an Air Filter

Chapter Nº	Topic	i-ACT/i-Practice	Module
8	Air Filter Housing K/601/3725 H/601/3725 Level 2	i-ACT: Air Filter Housekeeping	i-Check: Protective Equipment When Working on an Air Filter i-Check: Vehicle Protective Equipment When Working on an Air Filter i-Test: Protective Equipment When Working on an Air Filter
		i-ACT: Tools, Equipment and Consumables When Working on an Air Filter	i-Ask: Tools Used When Working on an Air Filter i-Ask: Equipment and Consumables for Working on an Air Filter i-Check: Tools Used When Working on an Air Filter i-Test: Tools, Equipment and Consumables When Working on an Air Filter
		i-ACT: Air Filter Components	i-Ask: Air Filter Components i-Ask: Smaller Air Filter Components i-Check: Air Filter Components i-Test: Air Filter Components
		i-Practice: Air Filter Housing Removal and Replacement	i-Practice: Air Filter Housing Removal i-Practice: Air Filter Housing Removal (Assessment) i-Practice: Air Filter Housing Replacement i-Practice: Air Filter Housing Replacement (Assessment)
9	Braking System F/601/3876 A/601/3732 Level 2	Aims and Objectives	
		i-ACT: Braking System Units and Components	i-Ask: Braking System Operation i-Ask: Braking System Units and Components i-Ask: Braking System Construction i-Check: Braking System Components i-Check: Braking System Construction i-Test: Braking System Components i-Test: Braking System Units and Components
